

NEWS RELEASE

Gloria Lundstrom is the wife of Evangelist Larry Lundstrom from Sisseton, South Dakota. She is the mother of two daughters, LaShawn and LaDawn, and one son, Donovan. She takes great delight in being the grandmother to Dante' and Myanna. Gloria, her husband and family traveled extensively as a central part of Lowell Lundstrom Ministries for over 22 years. For the past 20 years, Larry and Gloria have been conducting "Heart to Heart" rallies from coast to coast helping strengthen families in crisis.

Gloria does not come to us with *pomp and circumstance* representing a perfect mother, wife or family under glittering stage lights. Rather, Gloria comes to us as a "real" wife and mother willing to allow us admittance "backstage" into her life. Her life has been heavily sprinkled with tears, hurts, disappointments and pain. Most of her struggles have surfaced through life threatening illnesses, three nervous breakdowns, lingering pain of two miscarriages and numerous heart breaking and life shattering attacks on their children, family and ministry.

You ask, "What could this woman possibly offer us?" The answer is simple--- Gloria offers you hope in hopeless situations and keys to survival in this world that is spinning out of control. With God's help, Gloria has walked through many of life's trials victoriously and radiates the peace and joy of the Lord. Her transparency and humor, yet deep devotion and love for God will minister to you at the point of your need. You will laugh and cry as well as be challenged and sense a new lease on life. If you feel all odds are against you and you cannot cope for one more day, plan now to attend.
